

About Us

Stoneacre Lodge is a 29-bed residential care home specialising in supporting individuals living with dementia. We provide high-quality, person-centred care in a safe, comfortable and homely environment.

Our bedrooms are designed to promote comfort and privacy, with a number of en-suite rooms available. Our welcoming communal areas provide space for social interaction, relaxation and meaningful engagement. Our home is surrounded by well-maintained gardens, including accessible outdoor spaces and raised flower beds, allowing residents to enjoy fresh air and take part in gardening activities.

We offer a wide range of activities designed to support wellbeing, promote independence and encourage social interaction, ensuring each day is fulfilling and tailored to individual interests.

At Stoneacre Lodge, our dedicated team are committed to providing compassionate care, treating every resident with respect, dignity and understanding.

We work closely with families and healthcare professionals to ensure the best possible care for every resident.

A PLACE TO FEEL AT HOME

At Stoneacre Lodge, we provide compassionate, person-centred care in a warm and welcoming environment where residents feel safe, valued and at home.

Welcome to Stoneacre Lodge

Choosing a care home for yourself or a loved one is a significant and often emotional decision. At Stoneacre Lodge, we understand the importance of finding a place where you feel safe, comfortable and truly at home.

Our aim is to provide a warm, welcoming environment where each resident is treated with dignity, respect and compassion. We take the time to get to know every individual, understanding their needs, preferences and life experiences, so that care is tailored to them.

We believe that moving into a care home should not mean losing independence or identity. Instead, we support our residents to continue living fulfilling and meaningful lives, with the reassurance that support is always available.

Families are an important part of life at Stoneacre Lodge, and we encourage regular visits and involvement, helping to maintain strong relationships and a sense of belonging.

Our aim is to ensure every resident feels safe, valued and part of our community.
